

Elite Chauffeur Services Wedding Cars

Your special day is the culmination of months of planning. Naturally you want everything to be perfect, including the wedding cars.

We can provide you with a combination of Mercedes Benz vehicles, all of which are silver in colour to complement your wedding day. In choosing Mercedes Benz vehicles these cars provide the highest levels of luxury, reliability, safety, and comfort.

Each wedding vehicle is only booked for one wedding per day, due to the time required for them to be specially cleaned and prepared for your special day. Our chauffeurs are all fully uniformed, experienced and courteous to ensure your wedding day will be an experience you will enjoy and remember.

Each car is presented with wedding ribbons in the colour of your choice and silk flowers in the back of all of our vehicles are provided. Cars are available for up to three and a half hours use from the first pick up.

We would be delighted to discuss with you your requirements and provide a no-obligation written quotation. A personal consultation can be arranged, when you can also preview our vehicles.
